**MEMORANDUM FOR DIRECTOR, NATIONAL  
RECONNAISSANCE OFFICE**

**SUBJECT : Collection Requirements for [REDACTED]  
Reconnaissance Over Cuba**

25X1A

Transmitted herewith for guidance of the National Reconnaissance Office is a statement of collection requirements for [REDACTED] reconnaissance over Cuba as they were approved by the United States Intelligence Board (USIB) on 12 December 1962.

25X1A

USIB requests that the National Reconnaissance Office take these requirements into account if, as, and when [REDACTED] reconnaissance is undertaken over Cuba.

25X1A

In taking the above action, USIB further requested that the appropriate operational organizations be asked to place the [REDACTED] vehicles in a state of reasonable readiness for such future use as might be required by developments in the Cuban situation and as approved by higher authority. It is understood that the Director, Defense Intelligence Agency will also communicate the above USIB view on readiness of the [REDACTED] to appropriate Department of Defense officials.
